

Lesson 10: John 3:14-18 (Cont.)

1. Chapter 3 Theme: God's _____ of _____

2. The Three Components of Faith:

a. The first component of faith is _____ (Heb 11:4).

1) _____ means:

- a) Submissive to the restraint or command of authority.
- b) Willing to obey.

2) The example of Cain and Abel: Gen 3:21, 4:1-7

b. The second component of faith is _____ (Heb 11:7).

1) _____ means:

- a) To put into charge or trust.
- b) To obligate or pledge oneself.
- c) _____ is trusting the Lord to keep His promises.

2) The example of Noah:

a) It had never _____ (Gen 2:5-6).

b) Noah is _____ years old when he is selected by God to build the ark (Gen 5:32).

1- The numbers 5 and 100 are the numbers of God's _____.

2- Read Gen 6:8.

c) Gen 6:13-18: God commands Noah to build an ark that is ___ stories tall, _____ cubits or 450 feet long, _____ cubits or 75 feet wide, and _____ cubits or 45 feet high.

1- _____ is number for _____ and _____; _____ = _____ x _____, which represents the _____ of God's _____; _____ is the number of the _____; and _____ is the number for the _____ of _____.

2- Therefore, the ark represents God's plan of _____.

3- Imagine the _____ and _____ that Noah must have faced while building the ark.

d) The flood came when Noah was _____ years, ____ months and _____ days old (Gen 7:11).

1- Why 100 years between Gen 6:13 and Gen 7:11? How does this apply to today?

2- Why did the flood come when Noah was _____ years, ____ months and _____ days old?

a- _____ is the number for _____; ____ is the number for _____; and _____ is the number for _____.

b- Noah is about to _____ God's _____ in His _____ against _____ (Gen 6:11-13). How does this apply to us?

e) Gen 7:16: Salvation is _____ by God.

3. Homework: Study the remainder of Hebrews 11 and identify the third component of faith defined in this chapter.
