

Lesson 29 – Revelation 16:1-21
The _____ Judgments (Cont.)

8. The Seventh _____ Judgment (v17-21): Widespread _____ and _____ Destruction

- a. The first of four events triggered by the pouring out of this vial: “there came a great voice out of the temple of heaven” (v17).
- 1) Whose voice is this? I believe it is the voice of _____ the _____.
 - 2) What does the voice say? The voice proclaims “It is done” which is the perfect tense, active voice, indicative mood rendering of the verb γίνομαι (ginomai).
 - a) The perfect tense indicates a _____ action in the past with the _____ of that action carrying forward to the present.
 - b) Since this is a verb of being, a better translation might be “It has _____” or “It has _____,” which begs the question, what has _____?
- b. The second of four events triggered by the pouring out of this vial: “there were voices, and thunders, and lightnings” (v18).
- 1) This second event helps us to determine the answer to the question, what has _____? Throughout Revelation, the voices and thunders and lightnings indicate that a _____ movement of _____ is about to take place.
 - a) In Rev 4:5, they marked the beginning of the _____ Judgments.
 - b) In Rev 8:5, they marked the beginning of the _____ Judgments.
 - c) In Rev 11:19, they marked the beginning of the _____ Judgments.
 - d) Here they serve to accentuate _____ the _____ proclamation that the _____ judgments of the tribulation period have been _____ and, as a result, the time has now _____ for His _____ to _____ to the earth and _____ His earthly kingdom. In other words, the _____ movement of _____ that they are being used to indicate in this passage is the _____ of Christ.
 - 2) Although we are not told in this passage what the voices say, it very well may be what is recorded for us in Rev 19:1-7.
- c. The third of four events triggered by the pouring out of this vial: “there was a great earthquake” (v18-20).

- 1) An earthquake so great that it severely impacts the _____ earth's _____ to such a degree that it results in:
 - a) The _____ of the nations crumbling into ruin causing massive loss of life as well as the total _____ of civilization as we know it today: communications, transportation, medical services, law enforcement, electrical service, water supply, etc. will all be nonexistent.
 - b) The location of every _____ on the planet being shifted causing a multitude of huge _____ all around the world resulting in even more destruction and loss of life.
 - c) The _____ of the world collapsing back into the earth's crust causing humongous _____, _____, and _____ resulting in unbelievable destruction and loss of life. This movement of the _____ will also most likely set off _____ all over the planet adding to the destruction and death.

- 2) An earthquake so great that "the great city" is split into _____ parts.
 - a) Option 1: "the great city" is _____; however, since verse 19 doesn't match the description of Zech 14:4-5, it most likely is not a reference to _____.
 - b) Option 2: "the great city" is spiritual _____ which is a reference to _____.
 - 1] Rev 17:5 & 18 identify the woman sitting upon the beast as spiritual _____ (i.e., _____).
 - 2] God is now adding His _____ judgment upon the location of the headquarters of the _____ to that which it will receive 3 ½ years earlier at the hands of the _____.

- 3) An earthquake so great that the entire _____ of the planet will be _____.

- d. The fourth of four events triggered by the pouring out of this vial: "there fell upon men a great hail" (v21).
 - 1) God literally _____ people to death with _____ pound hail stones.
 - 2) In keeping with His own Word, God is now _____ administering the punishment for _____ that He mandated to be carried out in Deut 17:2-5.
 - 3) Once again, instead of repenting and begging for forgiveness, what does man do?

9. In Conclusion:

- a. The _____ and _____ of the judgments contained in this chapter alone make it quite easy to understand why Jesus said in Matt 24:22, "And except those days

should be _____, there should no flesh be _____: but for the _____ sake those days shall be _____.”

b. With those days now over, the time has _____ for Matt 24:____ - ____!
